The First week of swimming is free, but this form must be filled out, signed by parent, and returned before your child can swim. If you wish to join Gold Coast after the free week, your swimmer must join United States Swimming. The current annual fee is \$45.00 and will cover your child January 1, through December 31. If you join in September, October, November, or December you will be covered for that time plus all of the next year. There are also seasonal fees available which are alternatives to the annual fee (ask your coach for more information). **This fee is required immediately after your free week to continue swimming.** This fee provides your swimmer with secondary liability insurance through United States Swimming
